fitness centers, employee commuter vehicles, indoor college classes and organized gatherings in any other indoor settings, such as a religious gathering.

- Extra booster doses are available to people who meet the immunocompromised criteria per CDPH recommendations that received their second dose of Moderna and Pfizer vaccine

Lake

- Struggling to maintain inter-facility transport staffing numbers adequate for timely movement of patients.
- SNFs experiencing staff shortages and can only accept additional patients as staffing ratio permits.

San Francisco

- Hospitalizations were relatively stable with 46 COVID+ patients over this Operational Period (+/- 5 patients), and the ICU census was maintained with 16 patients (+/- 1) (data lagged 2 days). Hospitalizations continue to see a decline this Operational Period with slight fluctuation.

Tehama

- Continuing to house COVID therapeutics, Regeneron (mAb), at Tehama County Public Health and attempting to distribute to outpatient clinics and SNF partners.
 - Collaborating with these partners on TA, proper administration, and storage of Regeneron. Tribal outpatient clinic

Yolo

- Revised health officer order to go out this week, requiring indoor masking of all vaccination status
- Monitoring the impact of un-vaccinated individuals; specifically, the increase in positivity rates, hospitalizations, 9-1-1 volume and wall-times.
